in Corsicana.

President's Traffic

Bill Hamond KA5SOT is notifying hams in limestone? County that he wants to organize a ARES/RACES group.

On our repeater?

The NFLARC owns and operates our repeaters.

We operate Emergency Operations on our repeaters, Any Licensed operators are welcome to participate.

The state Appointed Emergency Coordinators are:

Limestone Co. - Dewey LaFoy W5DRL

Freestone Co. - Bob Ray W5ZMY

Navarro Co. - Jim McCarter N5DDC

We have setup a meeting with Bill Hamond at Fairfield McDonalds on Wed 12-14-2005 to discuss this.

73,
Joe Roe
WQ0B

November Meeting

- Joe WQ0B - 7:00 PM -meeting called to order

• Introductions

- 7 members
- 2 Guests

• Announcements

-

• Old Business

- Joe WQ0B reported that the need for communications at Lake Charles was canceled when they arrived, and the donations made were much needed for the trip there and back.
- We still are waiting for equipment & personnel to come to gather and replace the repeater antenna.

• New Business

- Wil WB5YFX announced that he will be at the Mexia repeater (145.39) on Sunday to look at the equipment and to give Bob the access codes.
- Joe Wq0B said that we need to look at the Corsicana repeater (145.29) for any damage.

• Adjourn

- Motion Dan KE5DFY
- 2nd Mary KE5FGU

Treasurer's Report

No report given at this meeting.

Education

Joe Roe WQ0B will conduct CW training sessions on the Corsicana 145.29 repeater

each Thursday evening (except meeting nights) at 8:00 PM. Check-in's are not necessary but questions and comments are welcome.
