#### Streetman Repeater

Joe & Doug Talked to Ron and saw the equipment that the club voted to purchase

Payed \$400.00 which came from donations from

Dan, Rebecca, Joe, Kim, Mary, & Doug

We still need 400.00 for the balance, hopefully from donations. Our treasury will not have much left after insurance premiums are payed again this year.

This repeater will serve as the (on the air) backup repeater that we lost last year keeping Mexia (145.39) on the air.
