WED NIGHT NET

Thanks to Doug & Mary, for getting me a 2m/7cm antenna at Belton. I can now do the net on 145.390  
@9PM and the follow up on 145.29. The antenna, right at the present time is only ten feet of the  
ground. Later, I will move it to the 60 tower.

70CM Repeater

Our fearly members went to the College TV tower to rat proof it and made ajustments to the  
repeater. Unknownly, they could not get to the tower!! So that stopped that project. Problem has now  
been corrected. I about 2 months for Christmas Party. It will the the SECOND SATURDAY IN  
DECEMBER. It will be at IJS, 301 North Street Corsicana, Texas at 3PM.

The will be a Club meeting before the party.

Bring can goods for the needy. A gift for a young boy or girl.

Now for the Chineese Christmas. Bring \$10, max gift for male or female.

If you have some of your favorite food for Christmas, please bring it.

ACPARC NET

Ken Bratz is NC for the ACPARC net @9 AM, October 10 of HF 3.835. Ken will call the net by Counties,  
first. Check in when your couty is call. The second round, Ken will call by counties and your call sign. At  
that tine he will ask for signal report, weather anc general conditiions. Third round, Ken, if I am not  
mistaken, he will try see how the best way to do the net when a emergency.

If I miss any one, please let me know.
